PROSPECTUS 2020-21

Rev. Fr Michael L Santhumayor

MBA, M.Phil, M.A (Economics),
M.A (Konkani), B.Ed.

Principal & Campus Director

Milagres Educational Institutions have a history of 171 glorious years. Having known for imparting quality education towards the holistic development of the students, we incepted Milagres College in 2010. Within a short span of ten years the college has created a history of its own in forming men and women towards an all round development, having a sincere concern for the nation and for the people.

We derive our strength of inspiration from our patroness Our Lady of Miracles who guides us at our every step. Conscious of our responsibility towards students at our care and the vision of our nation, we plan our programs accordingly.

Our Motto- "Passion for Perfection" leads us towards perfect achievements. Our faculty and students are conscious of their role and plan various curricular, co-curricular and extra-curricular activities.

A state of the art college building located at the heart of the city undoubtedly boasts of the latest facilitates in terms of infrastructure and academic support materials.

All efforts are undertaken at our institution to provide an experience of life time that would make a significant, relevant and meaningful way of living that would pave the way towards the fulfilment of the social, economic, moral and ethical living. Considering all the aspects of imparting quality education the **NAAC has accredited our college with B++ Grade in the first cycle itself.**

I wish that whoever enters the portals of Milagres College would cherish the purpose of their lives, the utility of positive human values and above all an inner peace that leads everybody towards self realization.
